ABOUT ONS

WHO WE ARE

ONS Sustainable Energy Solutions is a professional clean energy and sustainability company committed to helping organizations and communities adopt cleaner, smarter and more efficient energy solutions. We enable the transition to a low-carbon future through integrated solutions in solar energy, electric mobility, battery energy storage, energy efficiency, ESG and responsible e-waste management.

Our focus is simple – deliver reliable, innovative and economically viable solutions that create long-term value for our customers, while contributing to a cleaner and healthier planet.

OUR CORE SOLUTIONS

Solar Energy
Rooftop, Commercial, Industrial & Utility

EV Charging Infrastructure
AC, DC, Fleet & Public Charging

Battery Energy Storage Systems
Residential, Commercial & Utility BESS

Energy Efficiency & Advisory
Energy Audits & Optimisation

ESG & Sustainability
ESG Advisory & Carbon Assessment

E-Waste Management
Collection, Asset Disposal & EPR Compliance

OUR VISION

To transform the way India generates, stores and consumes energy, enabling a cleaner, smarter and more sustainable future.

OUR MISSION

To accelerate sustainable development by delivering innovative clean-energy and environmental solutions that create measurable business and environmental impact.

OUR APPROACH

- **Customer-Centric** — Solutions tailored to real needs
- **Technology-Driven** — Latest and reliable technologies
- **Quality & Safety** — Compliant, certified and dependable
- **Sustainable Impact** — Economic, environmental and social value
- **Long-Term Partnership** — Built on trust, transparency and service excellence

LOWER ENERGY COSTS | HIGHER ENERGY EFFICIENCY | REDUCED CARBON FOOTPRINT | CLEANER ENVIRONMENT | SUSTAINABLE COMMUNITIES

SUSTAINABLE ENERGY SOLUTIONS
— DELIVERING EXCELLENCE, ALWAYS —

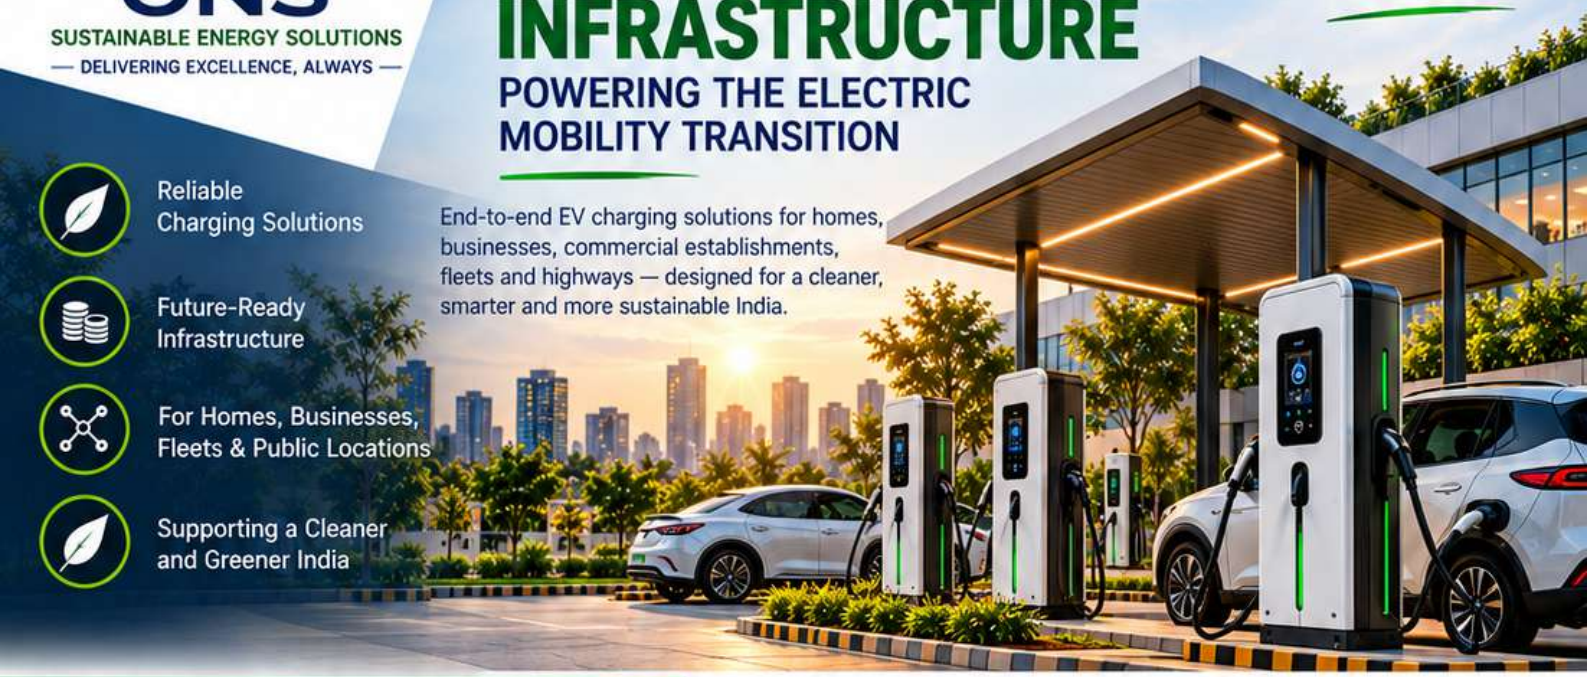

EV CHARGING INFRASTRUCTURE

POWERING THE ELECTRIC MOBILITY TRANSITION

CLEANER MOBILITY BRIGHTER TOMORROW

- Reliable Charging Solutions
- Future-Ready Infrastructure
- For Homes, Businesses, Fleets & Public Locations
- Supporting a Cleaner and Greener India

End-to-end EV charging solutions for homes, businesses, commercial establishments, fleets and highways — designed for a cleaner, smarter and more sustainable India.

OUR EV CHARGING SOLUTIONS

SUPPLY | INSTALLATION | AMC & SUPPORT | CHARGING SOFTWARE

AC CHARGING
3.3 kW – 22 kW
Smart Charging for Everyday Use

- Homes
- Offices
- Residential Communities
- Commercial Parking
- Hotels
- Retail Locations

Compact & Stylish Design | Smart & Connected | Safe & Reliable

DC FAST CHARGING
15 kW – 360 kW
High-Speed Charging for a Faster Tomorrow

- Highways
- EV Charging Hubs
- Commercial Fleets
- Malls
- Fuel Stations

Fast Charging | High Uptime & Performance | Built for Heavy Usage

FLEET CHARGING
Scalable Solutions for Commercial Fleets

- Customised charging infrastructure
- Depot and route-based charging solutions
- Load management & energy optimisation
- Suitable for corporate, logistics and last-mile fleets

WHY CHOOSE ONS FOR EV CHARGING?

End-to-End Solutions | Experienced Technical Team | Quality Products | Professional Installation | AMC & After-Sales Support | Scalable for Future Growth | Committed to a Cleaner Environment

OUR EV CHARGING ECOSYSTEM

Site Assessment & Consultation → Customised Design → Supply of Chargers & Accessories → Installation & Commissioning → Charging Software & Integration → Operations & Maintenance Support

POWERING SUSTAINABLE MOBILITY FOR GENERATIONS

ENERGY STORAGE & HOME INVERTERS

CLEANER
GREENER
SMARTER
TOMORROW

UNINTERRUPTED POWER. GREATER CONTROL.
A MORE SUSTAINABLE TOMORROW.

- Reliable Backup Power
- Smart Energy Management
- Lower Electricity Costs
- Supports Renewable Integration
- Scalable for Homes, Businesses & Industry

STORE TODAY.
USE SMARTER.
LIVE SUSTAINABLE.

OUR ENERGY STORAGE SOLUTIONS

SUPPLY | INSTALLATION | AMC & SUPPORT | MONITORING & ENERGY MANAGEMENT

HOME INVERTERS
WITH INBUILT LITHIUM BATTERIES

Reliable backup power with advanced lithium battery technology.

- Capacity Range: 3 kW – 15 kW
- Integrated Lithium Battery ($LiFePO_4$)
- Compact & Stylish Design
- Smart Monitoring (WiFi / App)
- Ideal for Homes, Apartments & Small Offices
- Seamless Integration with Solar

Home Backup Power | Safe & Reliable Lithium Technology | Smart App Monitoring

COMMERCIAL & INDUSTRIAL
BATTERY ENERGY STORAGE SYSTEMS

Optimise energy usage, reduce costs and ensure power reliability.

- Scalable from 30 kWh to MWh
- Peak Shaving & Load Management
- Grid Support & Energy Arbitrage
- For Commercial, Industrial & Institutional Use
- Advanced BMS with Remote Monitoring
- Indoor & Outdoor Configurations

Peak Shaving & Cost Optimisation | Reliable Operations | Scalable Solutions

CONTAINERISED BESS
FOR LARGE-SCALE APPLICATIONS

Utility-scale storage for a stable and sustainable grid.

- Customised Capacity (MWh Scale)
- Grid Stabilisation & Backup Power
- Renewable Energy Integration (Solar/Wind)
- Modular & Expandable Design
- Advanced Safety & Fire Protection
- Remote Monitoring & Analytics

Grid Support & Stability | Supports Renewable Integration | Designed for Long-Term Use

KEY BENEFITS

Reduced Electricity Bills | Uninterrupted Power Supply | Better Utilisation of Solar Power | Lower Diesel Dependency | Improved Energy Efficiency | Reduced Carbon Footprint

ONS

SUSTAINABLE ENERGY SOLUTIONS

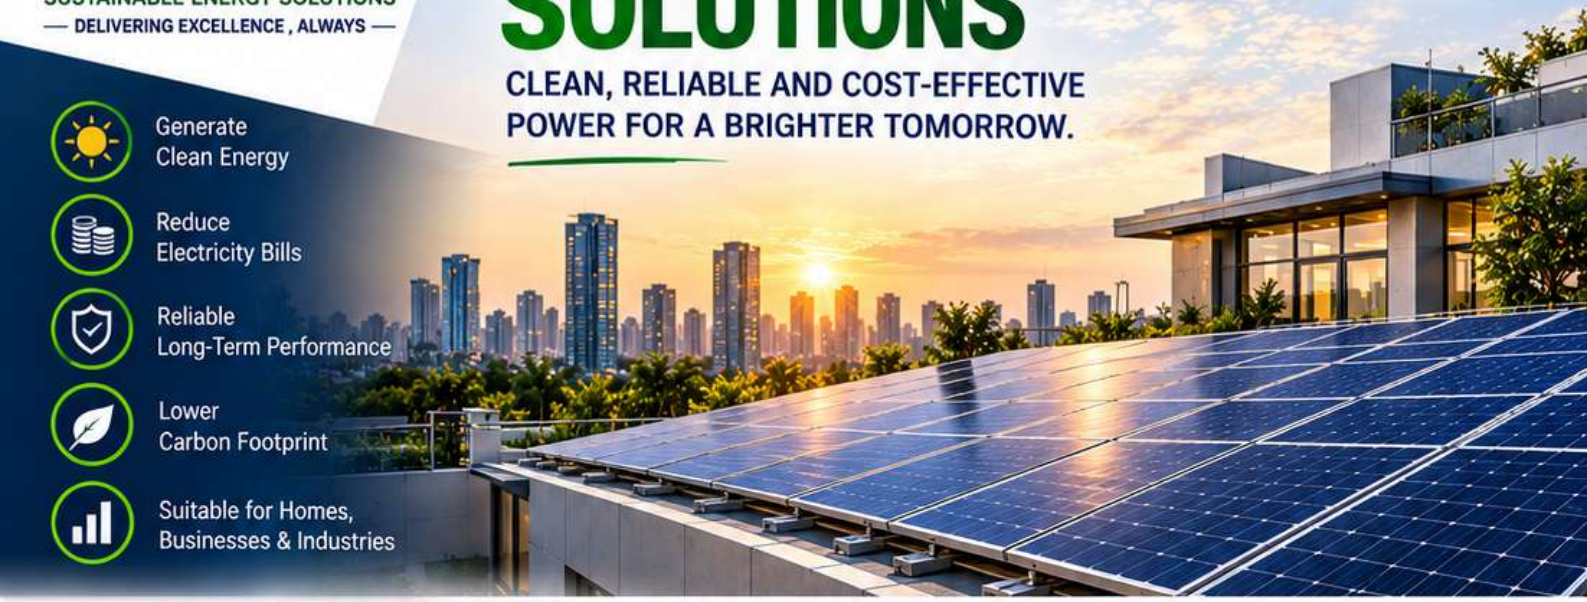

— DELIVERING EXCELLENCE , ALWAYS —

SOLAR ENERGY SOLUTIONS

CLEANER
GREENER
SMARTER
TOMORROW

CLEAN, RELIABLE AND COST-EFFECTIVE POWER FOR A BRIGHTER TOMORROW.

- Generate Clean Energy
- Reduce Electricity Bills
- Reliable Long-Term Performance
- Lower Carbon Footprint
- Suitable for Homes, Businesses & Industries

OUR SOLAR SOLUTIONS

DESIGN | ENGINEERING | PROCUREMENT | INSTALLATION | COMMISSIONING | SUPPORT

RESIDENTIAL SOLAR

- Customised systems for homes and societies
- Reduce monthly electricity bills
- Increase property value
- Support a greener future

COMMERCIAL SOLAR

- Ideal for offices, retail and commercial establishments
- Lower operating costs
- Improved energy efficiency
- Attractive ROI with long-term benefits

INDUSTRIAL SOLAR

- Solutions for manufacturing and high-energy users
- Reduce power costs and hedge against tariff increases
- Scalable for large rooftop and ground mounted systems

ROOFTOP SOLAR EPC

- Complete EPC solutions from design to commissioning
- High-quality components
- Professional installation and project management
- Net metering support

SOLAR POWER PLANTS

- Utility and captive power plants
- End-to-end project development
- Land, design, execution and commissioning support
- Suitable for industrial groups and investors

THE ONS ADVANTAGE

- Premium Quality Components
- Experienced Technical Team
- Customised Design & Engineering
- High Performance & Long Life
- End-to-End Support & After Sales Service
- Transparent Pricing & Faster Execution

AVAIL PM SURYA GHAR YOJNA SUBSIDY OF

₹1.58L*

FOR ELIGIBLE SYSTEMS

WHY GO SOLAR WITH ONS?

- Significant reduction in electricity costs
- Government subsidy and GBI incentives
- Reliable and proven technology
- Environmentally responsible and sustainable
- Professional design, installation and support
- Suitable for homes, businesses, industries and institutions
- Long-term savings and strong return on investment

YOUR ROOFTOP CAN DO MORE.
GENERATE CLEAN ENERGY TODAY
FOR A BRIGHTER TOMORROW.

ONS

SUSTAINABLE ENERGY SOLUTIONS

— DELIVERING EXCELLENCE , ALWAYS —

YOUR COMPLETE SUSTAINABLE ENERGY SOLUTIONS PARTNER

INTEGRATED SOLUTIONS FOR A CLEANER, GREENER AND MORE SUSTAINABLE TOMORROW.

PEOPLE
TECHNOLOGY
PLANET
PROGRESS

EV CHARGING
Powering the Mobility Transition

ENERGY STORAGE
Stable. Reliable. Future Ready.

SOLAR ENERGY
Clean Power for a Brighter Tomorrow.

HOME INVERTERS
Backup Power with Inbuilt Lithium Batteries.

SUSTAINABILITY & ESG
Measure. Manage. Make an Impact.

E-WASTE MANAGEMENT
Responsible Disposal. A Cleaner Tomorrow.

OUR END-TO-END APPROACH

FROM CONSULTATION TO LONG-TERM PERFORMANCE

01 CONSULT
Understand your needs

→

02 ASSESS
Site survey & energy analysis

→

03 DESIGN
Customized technical solution

→

04 EXECUTE
Supply, installation & commissioning

→

05 MONITOR
Performance tracking

→

06 SUPPORT
After-sales & AMC cupport

→

07 PARTNER
Long-term relationship

INDUSTRIES WE SERVE

SOLUTIONS BUILT AROUND YOUR ENERGY REQUIREMENTS

RESIDENTIAL COMMUNITIES

COMMERCIAL BUILDINGS
